Membership in the University of Illinois Alumni Association does not include membership in the Rockford Area Illini Club and vice versa. We coordinate activities with the Alumni Association, but we are separate organizations. Please share an invitation to join our club with a friend who would like to support the University of Illinois and its students.

Total if filled out electronically:

* New Graduate membership is for members of the current year's graduating class, and is valid for one year

† Young Alumni memberships are for members of the graduating classes of the four years immediately preceding the current year.

‡ These are annual memberships and are valid for one year

§ Annual memberships are for all other members that wish to join on an annual basis

§ Lifetime memberships are good for life. They are immune from future changes in dues
